USC was established by a group of owner/operators with 30 years of experience in ultrasound and medical equipment repair.

KNOWLEDGEABLE & EXPERIENCED

Our technical department is staffed with manufacturer trained ultrasound engineers with a broad knowledge of all the ultrasound product lines and extensive experience in field service.

COST EFFECTIVE

USC programs have been developed as a high-quality, cost-effective alternative to higher-priced manufacturer service organizations.

SAME DAY RESPONSE

Same day service and immediate phone response! Our response time is second to none - improving your uptime and keeping you on schedule.

PRODUCTS WE SERVICE

We service all makes and models of Diagnostic Ultrasound equipment.

Our field engineers are factory trained.

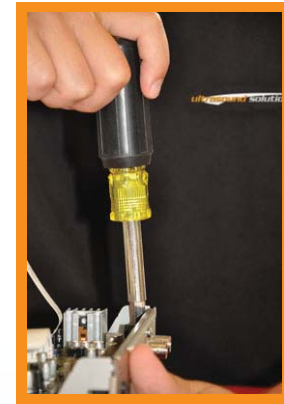

All parts and accessories meet or exceed manufacturer's specifications.
